Checks against the campaign page

Who gave lists 269 lines adding up to \$48,082.41, signed as filed (refunds subtract). That equals the page's "Contributions received" card.
Spent is Schedule E only: \$59,636.21, the same as the page's Spent card.
Unpaid bills (F) and agent payments (G) are listed apart and not added.
Raised adds the \$47.92 not itemized from line 2 of the Form 460 summaries, as on the race card.

Public records, not a mailing list. Names, cities, ZIPs, employers and occupations here are copied from campaign statements, which are public records under California's Political Reform Act (Gov. Code §81008). Please do not use this list to ask the people on it for money or for any commercial purpose. Federal law bars that use of contributor names taken from FEC reports (52 U.S.C. §30111(a)(4)); California's Act has no matching rule, so for these local filings it is Civic Tracker's request.

Street addresses are never shown: only the city and ZIP as filed.

Who gave

269 contributions · \$48,082.41 itemized

Every itemized contribution (Form 460 Schedule A), one row per line as filed, largest first (then newest). A green dot marks a ZIP inside Culver City (in-city). Gifts under \$100 are not itemized on the forms; their total closes the list. A negative amount is a refund or correction, as filed.

Who got paid

56 payments · \$59,636.21

Every payment the campaign made (Form 460 Schedule E), largest first. "What it was for" is the expense code spelled out, then the filed description. "Reimbursement" means the filing shows the person was paid back for costs they fronted, not paid for services; "Likely reimbursement" is Civic Tracker's inference (no description, no Schedule G); "Paid as agent" means they passed the money on to the vendors named on Schedule G.
